FUGAS URBANAS

É com este pensamento que a Fazendo Onda fez a sua nova coleção de fitness.

O ambiente das grandes cidades, o ritmo das construções, o trânsito, o stress, etc, é confrontado com a busca do bem estar e do prazer.

As atividades físicas são uma forma de “fuga” da dura realidade urbana, na busca de equilíbrio da mente e do corpo. O exercício adquire um aspecto de libertação, de realização, uma forma de dar “asas” as emoções e ao espírito.

Nessa coleção essa vontade é traduzida no design inovador, nos materiais tecnológicos, nos recortes ergonômicos e na cartela de cores vibrantes indo do magenta ao lilás, do páprica ao roxo.

Para correr, ir à academia, malhar, fazer ioga ou pilates! Qualquer que seja a “Fuga Urbana” encontrada, a Fazendo Onda tem produtos adequados!

URBAN ESCAPES

The new fitness Collection created by Fazendo Onda to reflect an exciting vision of today's urban lifestyles.

The unique ambience of the city, the rhythm of traffic, the noise, the stress, must be balanced in harmony with health, pleasure, and excitement.

In searching for this balance, physical activities provide a unique "escape" from hard urban realities. Exercise is a way to give "wings" to the emotions and spirit and represent freedom and accomplishment. In this collection, this feeling is communicated by the innovative designs, the advanced materials, the ergonomic styles, and a riot of vibrant colors from magenta to lilac, from paprika to purple.

Running, going to the gym, working out, practicing yoga or pilates! For any of these "Urban Escapes" you enjoy, Fazendo Onda has the right product for you!
